

6" FREESTANDING WALL PRODUCT INFORMATION

Take a stand against mundane landscapes with the Highland Stone[®] freestanding wall system. The blocks are crafted with the same earthen colors and rough-hewn texture that made the Highland Stone retaining wall system a top choice for retaining walls. Highland Stone freestanding walls are our most beautiful and versatile landscape products yet.

- Available in three different face lengths for a random look
- Can be used for straight or curved walls
- Use as seating areas, borders and courtyards
- Can be used for walls up to 3 feet high, including buried course
- Columns or pilasters constructed with the pillar units can be built up to 6 feet high, including buried course
- Minimum radius using all three units: 3 feet 9 inches
- Maximum straight wall length between design elements: 10 feet
